## QUALITY ASSURANCE & QUALITY CONTROL POLICY

SAQCO ARABIA LIMITED CO. is committed to ensure Quality compliance to the client requirements with regard to fitness for use, performance, safety & reliability of the products and services to be supplied to client, through implementation of an efficient Quality Management System.

At SAQCO ARABIA, QUALITY is at the center of our day-to-day operation, and our goal is to embrace sound QUALITY practices in every activity, projects and location.

We at SAQCO ARABIA strive to fulfil our responsibilities and obligations towards our people, our customers, our partners, our suppliers, our communities and all the stakeholders by committing to the following values.

- Identify, understand, and meet our customers needs, focus on customer satisfaction, and implement improvements to increase their trust.
- Identify innovative customized solutions aiming to bring added value solutions to our customers while optimizing cost.
- Implement risks and opportunities methods to manage processes and projects for continues performance improvement.
- Deliver products, system and services to the required quality, on-time and within budget meeting our customer's requirements by acting proactively in every situation.
- Take leadership and commitment for our work at all organizational levels.
- Support and engage our people at all levels in a relentless drive to improve performance in delivering projects and services.
- Continually improving the effectiveness of our adopted Quality Management System in accordance with ISO 9001:2015.
- Increase the motivation and skills of our people through training and development initiatives.
- Develop lean and consistent processes to continually enhance projects and service delivery across our field of operation.
- Leverage our partners and suppliers' strength to improve our business from design through product delivery, installation, and operation.

## HEALTH, SAFETY & ENVIRONMENT POLICY

At SAQCO ARABIA LIMITED CO., we are committed to protecting the health, safety, and well-being of all employees, contractors, visitors, and the environment. Our goal is to prevent accidents, injuries, and environmental harm through effective risk management and continuous improvement. We follow the principles of OHSMS ISO 45001:2018 (Occupational Health & Safety) and EMS ISO 14001:2015 (Environmental Management) to achieve these objectives.

### OUR COMMITMENTS:

- Legal Compliance: Comply with all applicable HSE laws, regulations, and industry standards.
- ISO Integration: Implement and maintain HSE systems aligned with ISO 45001 and ISO 14001.
- Risk Management: Identify, assess, and control risks to prevent injuries and environmental harm.
- Training & Awareness: Provide regular HSE training, ensuring all workers are competent and informed.
- Incident Reporting: Promptly report and investigate incidents and near misses to prevent recurrence.
- Environmental Responsibility: Minimize environmental impact by managing waste, emissions, and resource consumption effectively.
- Emergency Preparedness: Maintain and test emergency response plans regularly.

### ROLES & RESPONSIBILITIES:

- Management: Provide leadership, resources, and accountability to ensure HSE performance.
- Supervisors: Enforce safe practices and monitor activities on-site.
- Employees & Contractors: Follow HSE rules, use PPE, and report hazards or incidents immediately.

We are committed to fostering a safety-first culture and environmental stewardship. Everyone in the company shares the responsibility for achieving a safe, healthy, and sustainable work environment.

# Saudization

## Integrating Saudi Workforce

At SAQCO ARABIA, our commitment for Saudization goes beyond compliance—it is a fundamental aspect of our corporate ethos. By investing in local talent and fostering a strong sense of belonging within our workforce, we not only fulfill our social responsibility but also strengthen our company's capabilities and competitiveness in the market.

### Support Women Empowerment

We are committed to fostering gender equality and supporting women's empowerment in the workplace and beyond. We believe that empowering women is not only a moral imperative but also essential for driving innovation, growth, and sustainability. We are not only strengthening our company but also contributing to the social and economic progress of Saudi Arabia.

### Encouragement in Leadership

We are dedicated to cultivating a culture of leadership and innovation among our employees. We believe that effective leadership is essential for driving growth, fostering creativity, and achieving excellence in all aspects of our business. We aim to inspire our employees to reach their full potential and contribute to the success of SAQCO ARABIA.

### Career Development Opportunities

We are committed to the professional growth and development of our employees. We believe that investing in career development not only benefits our employees but also strengthens our company as a whole. We are building a talented and motivated workforce that drives innovation, excellence, and success at SAQCO ARABIA.

# Corporate Social Responsibility

As part of our ongoing commitment to social responsibility, we organized a chartered flight from Dammam International Airport to Mangaluru International Airport, facilitating the safe return of 167 stranded Indians who were adversely affected by the COVID-19 lockdown.

We strive to maintain strong and sustainable relation with the community in which we invest, and contribute our financial and human resources to serve it. We are keen to provide economic and social benefits suitable for the society needs, through 3 main priority focus areas:

Social Development

Health

Environment

A collage of several news articles from Indian media websites. The top article is from 'Deccan Herald' with the headline 'Kannadigas stranded in Dammam repatriated to M'luru'. Below it are snippets from 'VarthaBharati', 'coastaldigest', and 'THE TIMES OF INDIA' all reporting on the same event. The snippets include images of the airplane and the passengers.

## Annual Meet

SAQCO ARABIA organizes an annual gathering that unites employees, vendors, and clients. This event provides a valuable opportunity for everyone to come together, fostering a stronger sense of community and collaboration within the company's team and business partners.

# An Ambitious Nation

## KINGDOM OF SAUDI ARABIA

The Modern Cradle of Ancient Wonders

Saudi Arabia is a country of wild, untouched beauty. Rich in history yet buzzing with change, it has plenty to offer international visitors. As an emerging destination, the country is full of surprises. Saudi Arabia is one of the largest country in the world with stunning coastline and a history that stretches back to the dawn of human civilization.
